

INCIDENT DESCRIPTION

ClaimGuard AI Demonstration Document

Claim Number: CLM-DEMO-001

Date of Incident: 20-Aug-2026

Date Reported: 22-Aug-2026

Incident Narrative:

On 20-Aug-2026, the insured vehicle was being used for normal personal transport. While manoeuvring in a parking area, the vehicle accidentally collided with a stationary concrete pillar.

The collision caused damage to the front bumper, front fender, headlamp and bonnet. No intentional damage was involved. The vehicle was not being used for any unauthorized purpose, and the driver was not under the influence of alcohol or prohibited substances.

The incident was reported to the insurer on 22-Aug-2026, two calendar days after the incident.

DOCUMENT STATUS: DEMONSTRATION / TEST INPUT ONLY

This is fictional evidence prepared for testing the ClaimGuard AI workflow.
